NOTICE

This is a notice regarding your request for acceptance of a fee deficiency submission under 37 CFR 1.28.

The Office no longer investigates or rejects original or reissue applications under 37 CFR 1.56. **1098 Off. Gaz. Pat. Office 502 (January 3, 1989)**. Therefore, nothing in this Notice is intended to imply that an investigation was done.

Your fee deficiency submission under 37 CFR 1.28 is hereby **ACCEPTED**.

This application is no longer entitled to small entity status. Accordingly, all future fees paid in this application must be paid at the large entity rate.

Petitioner made a payment of \$620, representing the deficiency of \$490.00 and the surcharge of \$130.00 on July 26, 2010. The current 3½ year (large entity) maintenance fee is \$980.00. There is no surcharge required for late payment of maintenance fee when notifying the office the change of entity. Therefore, the \$130.00 is being credited to petitioner's deposit account.

The person signing the petition requests a change of correspondence address to the address given in the petition. There is, however, no indication that the person signing the petition was ever given a power of attorney to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney documents must be submitted. While a courtesy copy of this decision is being mailed to the person signing the petition, all future correspondence will be directed to the address currently of record until appropriate instructions are received.

Inquiries related to this communication should be directed to the undersigned at (571) 272-3213.
